

<p style="text-align: center;">DUE DATE: Fall Semester: July 15 Spring Semester: December 15</p>

Dear Student,

Congratulations on continuing your education at Caldwell College and choosing to live in campus housing.

All full-time students residing in campus housing are required to complete and return the **original** health form to the Health Services Department by the due date. Physical must be within one year of entrance into campus housing. Failure to complete this form in its entirety will result in registration and/or campus housing holds. **Forms cannot be faxed.**

Acceptable proof of immunizations:

- Immunization page of the Caldwell College Health Form completed and signed by a licensed health care professional
- Official school immunization records
- Public Health Department record

If you are unable to obtain proof of past immunization, you must be either revaccinated or provide a laboratory report showing immunity. Immunization and testing for immunity are available through your personal health care provider.

Limited exemptions are allowed for religious and medical reasons. Requests for exemptions must be submitted in detailed writing. Medical exemptions must be signed by your health care provider. Students submitting religious or medical exemptions must provide this office with documentation of any previously administered immunizations. If a student did not previously receive all required Measles, Mumps, Rubella and/or Hepatitis B vaccines, a lab report of immunity status to each particular disease **must be submitted.**

Please note that health information provided to this office is confidential, and will not be released without written permission or pursuant to government authorization. Immunization records are not confidential because your immunization status must be made available to state inspectors and select College officials in order to comply with New Jersey law.

If you have any further questions regarding your college health form, please contact Health Services at 973.618.3319.

We wish you health, happiness, and success as you pursue your academic goals.
