

To Whom It May Concern:

I understand the Stafford Loan I am borrowing for the Spring 2012 term at Caldwell College is part of my total Stafford loan allocation for 2011-2012 academic year. At the \_\_\_\_\_ (grade level), I am eligible for an additional \$\_\_\_\_\_ in subsidized and unsubsidized Stafford Loans. I understand that depending upon the financial aid calculation and review that this request could be denied, reduced or awarded as subsidized or unsubsidized funding as dictated by Federal Regulations. Additionally, depending on the amount of loan funding that I utilized during the current academic year, I might have already used the maximum loan funding allowed based on my upcoming academic level. I also understand the amount of loan offered is based on the cost of attendance as determined by the school and the estimated family contribution as determined by the Federal Government.
