CALDWELL COLLEGE DELIVERS MUCH MORE THAN A COURSE

Caldwell College is a coeducational, four-year, liberal arts institution accredited by the Middle States Association of Colleges and Universities, and chartered by the State of New Jersey. The College is located on a 70-acre wooded campus in a quiet suburban community, 20 miles from Manhattan.

Caldwell College is a proud participant in the Yellow Ribbon GI-Bill Education Enhancement Program (Yellow Ribbon Program). The program provides matching funds from the VA as a supplement to the Post-9/11 GI Bill. The Yellow Ribbon Program will match tuition and fees in excess of the portion funded by the GI Bill, which are waived by Caldwell College.

With specially trained Military Support Staff, we help you navigate the process of applying for all educational benefits you have earned.

We provide a high level of support and guidance *before* and *while* you are a student.

Use the Post-9/11 GI Bill to pay for your educational costs. Veterans or military service members qualify if they served a minimum of 90 combined days of active duty after September 10, 2001.

TAKE THE NEXT STEP

We are here to help you achieve your educational and career goals.

You have served our country and through coordination with the VA and your Post-9/11 GI Bill, Caldwell College is proud to help veterans like you attain your educational goals with no out-of-pocket expenses.

Contact one of our Education Specialists today to find out about the Certificate Programs in this brochure and other available courses.
