NOW THAT YOU ARE PLANNING TO BE A STUDENT... THERE ARE TWO THINGS YOU CANNOT DO!

1) DO NOT ENTER THE U.S. WITH A B-1, B-2, OR B-1/2 VISA UNLESS IT IS MARKED "PROSPECTIVE STUDENT."

If you use a B visa to enter the U.S., you could be guilty of "fraudulent entry" and refused permission to stay longer than six months or to extend or change your status. Do not listen to people who say it is easy to enter the country as a visitor and change your status. It is not true! If you do not think there is enough time to obtain a Form I-20, in some countries you can ask the visa officer for a B-2 visa with the words "Prospective student" noted on it or have the words added to your B visa if you already have one. The officer will need to see that you are qualified for a Form I-20 but cannot get it in time. You will need to prepare evidence of your financial responsibility and ask us for a letter to take with you.

2) DO NOT ENTER THE U.S. WITHOUT A VISA (Unless you are Canadian)

If you are from a country from which you can enter the U.S. as a visitor by showing a round trip airline ticket, do not do this. If you enter without a visa, you will be permitted to stay for only 90 days. You will not be given more time or allowed to change to student status.

WHAT IS A FORM I-20? & WHY DO YOU NEED ONE?

*** A Form I-20 is a government form on which Caldwell College certifies to the U.S. government that you are eligible for F-1 Student Status.** It certifies that you:

- 1- are or expect to be a “bona fide” student
- 2- meet our admissions requirements and received acceptance to Caldwell College
- 3- will pursue a full course of study towards a Bachelor’s or Master’s degree
- 4- proved that you have enough money to study and live in the U.S. without working illegally or suffering from poverty

*** You need a Form I-20 to obtain an F-1 student VISA and status, or to keep lawful F-1 status when transferring/changing schools within the U.S.** (Transfers-If you qualify, we will send you our I-20 before you travel, if you tell us that you are traveling outside the U.S. before classes begin.)

DOES EVERYBODY NEED AN I-20?

No, some international students do not need an I-20. If you are maintaining another nonimmigrant status in the U.S., you do not need an I-20 and may attend school full or part-time. **Dependent children in E, F, H, I, J, L, M, N, O, P, R or S status need to change their status after their 21st birthday or if they marry.** If you have no legal status, you may attend school but you are not eligible to change status and do not need an I-20.

GETTING YOUR FORM I-20

The following information contains rules for issuance of your Form I-20 by Caldwell College. Read the following VERY carefully. You cannot complete this process without following them step-by-step.

A Caldwell College Form I-20 ONLY will be issued to students with a **COMPLETED** I-20 Application Form and with **ALL** documents attached that are necessary.

Sometimes, we may have to ask you to give us more evidence of your financial ability, perhaps more than once. The U.S. Government requires that we be absolutely sure, to the best of our ability, that you will have enough financial support to cover the full costs of your stay in the U.S. We insist that students and their families look closely at the costs of living and studying in the U.S. and make careful plans to be sure your needs will be met.

*****RULES FOR GETTING AN I-20*****

- 1) You must be a “Bona Fide” student intending to pursue a full course of study in the program to which you have been admitted. We recommend that you start preparing your financial documents as soon as possible. This process can take some time and Caldwell College cannot issue an I-20 to a student until a complete I-20 application is received and approved.
- 2) Carefully review Caldwell College’s “Estimated Annual Financial Requirements for International Students on page 7 and calculate your annual costs in the work box on page 8.
 - ✓ These requirements represent a modest average budget, which does not include luxuries of any kind. We strongly recommend that you budget at least 10% more if possible.
 - ✓ EXPECT ANNUAL INCREASES in tuition and living costs of about 7%. We advise you take this in consideration now, if not it may be possible that you will be required to reprove and reapply for a new I-20 during your studies.
- 3) U.S. Law requires that you prove your ability to support your estimated annual cost for every year of your program of study. (Estimate 2 years for a Master’s and 4 years for a Bachelor’s.) You must provide documents that will convince the U.S. Government that you have:
 - ✓ CASH TO COVER YOUR FIRST YEAR IN THE U.S.
 - ✓ SUFFICIENT AND DEPENDABLE FINANCIAL RESOURCES TO COVER EVERY ADDITIONAL YEAR

YOUR FINANCIAL SUPPORT CAN COME FROM ANY COMBINATION OF SOURCES EXPLAINED IN NUMBERS SIX, SEVEN, AND EIGHT BELOW.
- 4) Do not expect that you will be able to work in the U.S. to help meet your annual costs! The Immigration Service strictly controls off-campus employment and opportunities on campus are *very limited and competitive*. In order to qualify for a Caldwell College I-20, you must be able to prove all your finances for studies *prior* to receiving approval for a Form I-20.
- 5) All documents you give us MUST be less than two months old and in English. (We cannot review documents that are not in English!) Send us photocopies or faxes, NOT originals. You will need the originals of all the documents you have sent us to give to the American Embassy when we send you your I-20.

- 6) **You can support yourself with your own personal funds, which** comes only from your own income or resources. Unless you presently have enough cash to support yourself for your *entire* program of study or can prove other sources of personal income, you will need a sponsor with an income sufficient to support you. **Prove your personal funds with the following documents:**
- ✓ **Bank Statements** in your name only, which state the date the account was opened, current balance in U.S. dollars, average deposits and average balances. We cannot accept statements that do not specify balances unless it is stated to be a minimum of six figures in U.S. dollars. If your statement shows that your funds are “fixed,” meaning that they do not produce substantial income, your balance will be divided by the number of years in your program of study to determine the amount you will have available to you for each year of study.
 - ✓ **Employment Letter** certifying your salary -- if you will be paid by your home country employer while studying here in the U.S.
 - ✓ **Statement of Liquid Investments**
- 7) **You may support yourself with funds from this school** such as an academic scholarship or an athletic scholarship. Caldwell College support does not cover all expenses, so you will need additional resources to meet your minimum annual costs. Provide us with a copy of your award letter or contract to prove that you will receive this form of support.
- 8) **You may support yourself with funds from other SPONSORS such as parents, relatives, or organizations. You may have as many sponsors as you need. It is highly recommended that at least part of your financial support come from your home country for purposes of visa issuance.** Sponsors may provide you with support in the form of cash and/or room and board. Free room and board is determined to be when you live with someone and do not have to pay for your room or food.
- 9) **A SPONSOR should promise only as much money as he or she is able to give you per year.** Some sponsors believe that the more money they promise to give the easier it will be to get your I-20. **THE MOST COMMON REASON FOR REJECTION OF FINANCIAL DOCUMENTS IS THAT WE DO NOT BELIEVE THE SPONSOR CAN AFFORD TO GIVE AS MUCH AS PROMISED.** A sponsor should promise only what he or she intends to give and only as much as can be afforded.

10) Each SPONSOR providing cash support must give us all the following documents to prove financial responsibility. If all these documents are not received, your SPONSOR's support will NOT be considered.

- ✓ **AFFIDAVIT OF ANNUAL FINANCIAL SUPPORT.** This form may be photocopied for each sponsor in the presence of a **notary public**. The notary public will sign and affix the official seal on each affidavit. There are notary publics at all U.S. embassies and consulates. In the U.S., most neighborhood pharmacists, lawyers and accountants are notaries. There are notaries in all countries, though the names for them may be different. There are officials licensed by the national or regional government to take sworn statements for courts of law or to witness contracts and property deeds. ***If there is NO notary signature and seal, we will not take the support as being valid.***
- ✓ **PROOF OF INCOME.** (a) **Individual Sponsor:** this must be on the employer's letterhead with a pay stub, on income tax returns or receipts, or estimated by a bank or private accountant when the sponsor is a self-employed businessperson or retired. The income of a company is not the income of the owner of the business and will not be accepted as proof of income. You must provide an official statement of the salary paid to the owner/sponsor. Income tax return receipts are preferred and normally ensure that more information will not be requested. (b) **Company Sponsor:** Submit the most recent "Profit and Loss Statement" for the company.
- ✓ **BANK STATEMENT in the name of the sponsor only**, that states the date the account was opened, the current balance in U.S. dollars, the average deposits and average balances and is signed by a bank official with title. **We cannot accept statements that do not specify balances, unless it is stated to be a minimum of six figures in U.S. dollars.**

11) A SPONSOR providing free room and board in the United States (free room and board is determined to be when you live with someone who gives you your room and food for no payment) A SPONSOR must provide all of the following evidence of financial ability:

- ✓ **AFFIDAVIT OF FREE ROOM AND BOARD** fully completed and signed in the presence of a notary public.
- ✓ **PHOTOCOPY OF LEASE DEED, DEED, RENT RECEIPTS in sponsor's name.**
- ✓ **PROOF OF INCOME.** This must be on the employer's letterhead with a pay stub, on income tax returns or receipts, or estimated by a bank or private accountant when the sponsor is a self-employed businessperson or retired. (Transfers- If you are presently in the U.S., you must be living

SPONSOR'S AFFIDAVIT OF ANNUAL CASH SUPPORT AND PROOF OF FINANCIAL CAPABILITY

WHAT DOES THIS AFFIDAVIT MEAN?

By completing this affidavit, you are swearing to the U.S. Government that you will provide this student with a specific amount of money from your own financial resources *for every year* he or she is going to study at Caldwell College and live in the U.S. You are also proving that you can afford the support you are promising with the documents you have attached.

Before signing it, you must understand that you are making a financial commitment to the student that should not be broken. Sponsors who fail to provide the promised support force students to drop out of school and cause pain and suffering. Do not expect that the student will be able to help support the costs through employment. Employment is strictly controlled by the Immigration Service and very limited.

HOW TO COMPLETE THIS FORM:

- ✓ Complete this form in English. Promise only the amount of money you are able to give. The most common reason we reject affidavits is that we do not believe a sponsor can afford to give as much as promised.
- ✓ Attach the documentary evidence of support explained below.
- ✓ Sign the affidavit in front of a notary public or the appropriate official in your country.

PROVE THAT YOU ARE FINANCIALLY CAPABLE OF PROVIDING THIS CASH SUPPORT FOR *EVERY YEAR* OF THE STUDENT'S PROGRAM BY ATTACHING *ALL* THE FOLLOWING DOCUMENTS (*if all of these documents are not attached, your support will not be considered*).

Documents must be: Photocopies or faxes, Current (less than two months old), In English, In U. S. Currency, and Notarized

- ✓ ***PROOF OF INCOME.*** This must be on your employer's business stationery, on income tax returns or receipts, or estimated by a bank or private accountant if you are self-employed. The income of a company will not be accepted as proof of income. You must provide an official statement of the salary paid to you or it must appear on tax returns.
- ✓ ***BANK STATEMENT*** in your name, which states the date the account was opened, current balance in U. S. dollars, average deposits and average balances. We cannot accept statements that do not specify balances unless it is stated to be a minimum of six figures in U. S. dollars. *If another person's name appears on your bank statement, that person must complete a separate affidavit or submit a notarized statement permitting those funds to be considered as financial support for the student.*
