

HELP US PAVE THE WAY...BRICK BY BRICK

**paver** (pav'er) *noun* **1.** stylish block of stone, tile or brick. **2.** way to help Caldwell College create a gathering area for alumni, students and friends. **3.** a piece of history to forever commemorate a gift of support to Caldwell College.

### Building Our Future

It is with great pride that Caldwell College announces the construction of the new Plaza Project which is slated to begin in May of 2007. Caldwell College wants to create a way for alumni, friends, students, parents, faculty, and staff to take part in this project. By offering the sale of pavers, we can succeed in making the plaza a permanent tribute to those who have helped to make Caldwell College the excellent institution that it is today. The new plaza will be located directly in front of the George R. Newman Center and the Student Center.

### Leave Your Mark

The Paver Project will create a beautiful gathering place for students, alumni, faculty, and staff on campus; both past and present will benefit from the plaza, as the future site of graduation receptions, alumni celebrations, and other prestigious occasions. Pricing for the pavers was established to allow everyone an opportunity to participate. The pavers may be engraved with your name, class year, or dedicated to someone who has made a significant impact on your life at Caldwell College – parents, professors, or special friends. Every paver allows the donor to personalize an inscription. Your gift of a paver for the plaza project represents the past, assists with the present, and helps secure the future!

### Your Contribution Counts

A donation for the purchase of a paver is considered a gift to the Caldwell College Annual Fund. This gift is tax deductible as allowed by law. Money from the sale of the pavers will be used to support student scholarships, academic offerings, student life enhancements, technology upgrades, and various other needs. Show your support for Caldwell College today and help us **Pave the Way!**

THANK YOU FOR SUPPORTING CALDWELL COLLEGE!

**YES** I would like to participate in the Paver Project at Caldwell College:

- Option A – Brick (6x9) with 1 – 3 lines of text for \$150
