# YOU ARE INVITED TO BECOME PART OF A NETWORK OF SUCCESSFUL CALDWELL COLLEGE ALUMNI AND FRIENDS FROM MANY INDUSTRIES.

We recognize your desire to advance your career and establish your own professional path. We hope that you have a desire to give back to the college that began your journey. To that end, we invite you to be a President's Society Associate.

## Q: WHAT IS A PRESIDENT'S SOCIETY ASSOCIATE?

A: Membership in the elite President's Society is traditionally reserved for donors who give a minimum of \$1,000 annually to the Caldwell College Fund. Realizing the capacity for recent graduates may be less than that of more established alumni, we invite you to participate at lower giving levels and still benefit from all the rewards of being a full President's Society Member.

## Q: HOW DO PRESIDENT'S SOCIETY MEMBERS HELP CALDWELL COLLEGE?

A: Members of the President's Society contribute more than half of the total amount of gifts the college receives each year. These leadership gifts help support scholarships, student services and academic programming.

## Q: WHAT KINDS OF REWARDS DO PRESIDENT'S SOCIETY ASSOCIATES RECEIVE?

A: President's Society Associates reap all the rewards and benefits that full President's Society members do including:

- Invitations to special networking and social events
- Exclusive communication from the Office of the President
- Prominent listing in the Annual Donor Report

The most important reward for recent graduates is access to successful and influential people in the Caldwell alumni/friend family.
