## caldwell college e-mail account

Caldwell College **requires** that all students use their college issued e-mail account. It is easily accessible and does not change. Caldwell College uses this e-mail address for all official communication to the college community.

## cancellation policy & course changes

The college reserves the right to cancel a course in which there is not sufficient enrollment, to limit registration, and to change instructors when necessary. ***This brochure is subject to change. Please check your bill and schedule carefully for any changes.***

## college closings

Call the Emergency closing Hotline number, 973-618-3100, after 6:00 a.m. for day classes, and 3:00 p.m. to see if evening classes are cancelled OR go to the college Web site **www.caldwell.edu**. Please note that cancellation of daytime classes does not necessarily mean that evening classes are also cancelled.

## financial aid

Financial aid is available providing students enroll on a half time basis (6 credits). Remember you must complete the **Free Application for Federal Student Aid (FAFSA)** at least **six weeks** prior to your intended start date. Applications are available online at **www.fafsa.ed.gov**. Additionally, there are several alternative loan resources available to students, including some loans for students who wish to enroll for less than the 6 credits. Students who are awarded Federal financial assistance and subsequently withdraw from **all** coursework prior to 61% of term completion are subject to the Federal refund/repayment policy. For more information on Financial Aid, visit **www.caldwell.edu/financial\_aid/** or call **973-618-3221**.

## grade reports

Matriculating students have access to Caldwell College online services and are able to view and print their grades directly from the Web. The Registrar's Office will not send grade reports in the mail. If you wish a grade report sent to you, please e-mail the Registrar's Office at **registrar@caldwell.edu**.

## health requirements

**All** students are required to comply with the State of New Jersey immunization laws. All documentation should be submitted to Health Services. *Health Services will not be responsible for records, which are submitted to other departments.* **Failure to comply with the state's requirements will result in cancellation of registration and exclusion from class.** All full-time students (12 or more credits) must have health insurance. Please refer to the Student Health Form for all requirements. Health forms can be obtained in the Health Services Department or on the Web at **www.caldwell.edu/student\_services/health.aspx**. Should further clarification be required after reviewing the health form, please call 973-618-3319.

## parking

Please be advised that all vehicles need to have a Caldwell College parking sticker. Call the Security Office at 973-618-3286 for more information. All restricted areas are clearly marked and anyone parking in these areas will receive a summons.

## payment procedures

Please refer to the letter included in your billing statement or to the payment calendar on the Bursar/Student Accounts Web page at **http://www.caldwell.edu/student\_accounts/payment\_calendar.aspx** for payment dates and procedures.

## tuition refund policy

If a student files an official withdrawal or add/drop form with the Registrar, they will be entitled to a refund according to the following schedule:

Within the first week of class	80%
Within the second week of class	60%
Within the third week of class	40%
Within the fourth week of class	25%
After four weeks	<b>NO REFUND</b>

## withdrawal information

An official **WITHDRAWAL** form must be completed for all courses from which a student wishes to withdraw. Not attending, even with notification to the instructor, does not constitute an official withdrawal. Students will be responsible for tuition and receive a grade of an 'F' for courses from which they do not **OFFICIALLY** withdraw. See page 4 for Add/Drop and Withdrawal dates.

# family educational rights and privacy act (FERPA)

The Family Educational Rights and Privacy Act of 1974 protects the privacy of education records, establishes the right of students to inspect and review their education records, and provides guidelines for the contesting of inaccurate or misleading data.

Students have the right to inspect and review all education records maintained by the college. The college is not required to provide copies unless, for reasons such as great distance, it is impossible for students to inspect the records.

Students have the right to request that the college correct records believed to be inaccurate or misleading. If the college decides not to amend the record, the student has a right to a formal hearing with the Vice President of Academic Affairs. After the hearing, if the college still decides not to amend the record, the student has the right to place a statement with the record commenting on the contested information in the record.

The college will not release any confidential information from a student's record without the written consent of the student, with the exception of the following: to college officials, including contractors and volunteers performing institutional functions, with a legitimate educational interest, to other Institutions at which a student seeks or intends to enroll, to certain government officials in order to carry out lawful functions, to appropriate parties in connection with financial aid to a student, to organizations conducting certain studies for the college, to accrediting organizations, to individuals who have obtained court orders or subpoenas, and to persons who need to know in cases of health and safety emergencies.

The college may disclose directory information without the written consent of the student. Directory information includes the following: name, address, telephone number, email address, dates of attendance, enrollment status, class, previous institutions attended, major and minor field of study, awards, honors (including Dean's list), degrees conferred including date, past and present participation in officially recognized activities, student's photograph, height and weight (for athletes only), and date and place of birth.

Students may request the withholding of disclosure of directory information. To ensure that a request is properly processed, it must be submitted on the official "Request to Prevent Disclosure of Directory Information" Form, which is available in the Office of the Registrar. In order to prevent all disclosures of directory information, the official request must be filed prior to the first day of the semester. However, the college will accept requests at any point during the semester. The request will remain in effect until the student submits signed authorization to allow disclosure of directory information. The college assumes that failure on the part of any student to specifically request on the official form the withholding of release of directory information indicates individual approval of disclosure.

Students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. Contact the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202.

## chart of available patterns

A chart of the available patterns can be found to the right. It may be of help to use it in planning your schedule.

## days on schedule

M = Monday

T = Tuesday

W = Wednesday

R = Thursday

F = Friday

S = Saturday

## how to find your classroom

The building codes used by Caldwell College are the following:

WER	Werner Hall
ALB	Albertus Magnus Hall
ALU	Alumni Theatre
AQU	Aquinas Hall
JEN	Jennings Library
STU	Student Center
VIS	Visceglia Arts Center
EXT	External Course

## time on schedule

If no time is listed, the time will be arranged with the registered students. For all other courses the time is listed.

## room numbers

Rooms are shown as three digit numbers. The first number indicates the floor the room is located on.

## examination schedule

**During exam week, each class must meet once for two hours.** At this time a final exam may be administered, or some other activity may be held. The location of the exam is the same as that of the room assigned for the course. A change in room and/or time during this week, must be granted by the Chairperson. The Registrar's Office must be notified.
