Dear Friends,

On behalf of our students, faculty, staff and the Sisters of Saint Dominic, thank you for your commitment to, and support of, Catholic Dominican higher education at Caldwell University.

This past year, donors committed more than $2.7 million to the university, a 50% increase over the year before.

In September 2014, we began a year-long celebration of Caldwell University’s 75th anniversary. Throughout the past year, we’ve paid tribute to Caldwell’s history while, at the same time, focusing on the promising future that lies ahead.

The founders of Caldwell College for Women dreamed of making it a jewel on the hill. The dream became a reality because of all those who came before us. Caldwell University continues to be that jewel today because of you – the hardworking members of our university community and those who support us as alumni, friends and the wider community.

Our anniversary year has been a time to reflect on some outstanding achievements. Our future will build on the success of our academic programming and outstanding student experiences.

I invite you to read through this report and take note of the partners who have helped shape our journey. Our success is a direct result of their support, both financial and in other ways, and I am incredibly grateful.

We’re a strong institution on the verge of a very exciting future. Join us as we embark on another 75 years of academic excellence.

Nancy H. Blattner, Ph.D., OPA
President
ABOUT CALDWELL UNIVERSITY
Caldwell University is a vibrant institution that provides its students with an excellent liberal arts education. Located in suburban New Jersey, about 20 miles from New York City, Caldwell provides a student/faculty ratio of just 11:1 and offers educational opportunities both inside and outside the classroom.

The university was founded in 1939 by the Sisters of Saint Dominic and is accredited by the Middle States Association of Colleges and Schools. In September 2014, Caldwell kicked off a year-long celebration of its 75th anniversary with a variety of events and activities designed to honor the past while looking towards the future.

Caldwell University prides itself on its Catholic, Dominican heritage.

CORE VALUES
The core values of Caldwell University emanate from the Catholic Intellectual Tradition, the life of Saint Dominic de Guzman, the Charism of the Sisters of St. Dominic of Caldwell, and the Four Pillars of Dominican Life.

In response to St. Dominic’s desire to pursue “truth” through education, Caldwell University commits itself to the following core values:

RESPECT
Respecting the sacred dignity of all creation, we call ourselves to responsible relationship with each other and with all the earth. Diversity of races, creeds, cultures and abilities enriches the University community, in a climate of mutual respect.

INTEGRITY
Concerned for the good of individuals and the community, we commit ourselves to honesty and professional excellence in all interactions and relationships.

COMMUNITY
Valuing connectedness, collaboration and inclusivity, we extend this spirit through intentional outreach to the broader community.

EXCELLENCE
Aware that each person, singly and together with others, has a role in creating a just and compassionate global community, we promise each other commitment to developing in the whole person a love for lifelong learning and skillful collaboration in the search for knowledge, truth, and solutions to problems.
VISION STATEMENT
Caldwell University will be recognized as a leader in providing transformative education addressing society’s educational, economic, and cultural challenges.

Our programs will be known for their creative combination of liberal arts, professionally oriented learning, and core values.

Caldwell University will inspire its students to seek the truth, embrace justice, and pursue intellectual study as they engage in experiences within a community of diverse learners. We will prepare women and men to lead successful personal and professional lives consistent with Catholic values through a well-designed liberal arts core. A broad range of programs will prepare students to be successful in the global work environment and to apply well-developed ethical standards in every aspect of their lives. Our graduates will be committed to service, to respect the sacredness of creation, and to the intellectual life.

Our vision, shaped by our core values of Respect, Integrity, Community and Excellence, is fostered within the framework of the 800-year tradition of the Dominican Order and inspires us to pursue the skills and attitudes needed in order to develop fully our intellectual, personal and spiritual lives.

MISSION STATEMENT
Founded in 1939 by the Sisters of Saint Dominic, Caldwell University promotes intellectual, spiritual, and aesthetic growth to a diverse population and welcomes all cultures and faith traditions.

Inspired by St. Dominic de Guzman and our Catholic heritage, we transform students’ lives by preparing them through the liberal arts and professional studies to think critically, pursue truth, and contribute to a just society.
JULY 2014
The transition to Caldwell University officially took place on July 1, 2014. The change in name was the culmination of a two-year process that involved every segment of the campus community and required a 550-page self-study report.

AUGUST 2014
We welcomed the largest freshman class in Caldwell’s history (371), and completed renovations to existing campus space that provided for more residential opportunities for our growing student population. This 12% increase from the previous record breaking year bucks national trends that see many enrollment numbers declining nationwide.

SEPTEMBER 2014
On September 19, hundreds of people gathered in the Newman Center to celebrate Caldwell’s 75th anniversary with an academic convocation and Mass. Father Paul Murray, O.P., a Dominican priest from Rome, officiated at Mass and was the keynote speaker at the convocation. The festivities continued on September 20 with Homecoming.

OCTOBER 2014
A joint effort between the Jennings Library at Caldwell University, the Caldwell Public Library and the Sisters of St. Dominic of Caldwell resulted in “The College on the Hill” Exhibition which chronicled the 75 year history of the university. The opening reception at the town library featured a panel discussion regarding the importance of Caldwell University’s founding and the relationship between the university, the Sisters and the township of Caldwell.

NOVEMBER 2014
The Caldwell University offices of Alumni Affairs, Career Planning and the Business Division hosted an event designed to help students interact with alumni currently working in the field of accounting. The Student Speed Networking Event gave students direct access to these high profile alumni and within 24 hours students had lined up interviews with the companies where alumni are employed.

DECEMBER 2014
For the first time in the 28 year history of the men’s basketball program at Caldwell, the Cougars defeated an NCAA Division I opponent when they beat Binghamton University 63-52 on December 8 in Binghamton, NY. Caldwell senior guard Kevin Walker scored the 1,000 point of his career in that win and joined only 15 others at Caldwell who have reached that milestone.

JANUARY 2015
The university’s Visceglia Gallery presented “Haiti 01-12-2010 We Remember,” an exhibition curated by a group of Haitian-born artists who were deeply affected by the earthquake that devastated their homeland in January 2010. Their powerful artwork confronted hardships and the unsettled aftermath of that event. More than 30 works were on display by established artists and the exhibition offered a compelling response to Haiti’s ongoing predicament.

FEBRUARY 2015
Caldwell University President Nancy H. Blattner received the 2015 Chief Executive Leadership Award from the Council for Advancement and Support of Education District II. CASE is a leading international association of education institutions and the award recognizes leaders who create vision and inspire others, establish a positive image of his/her institution’s stature in the community, and show willingness to take risks that have greatly benefited the institution.

MARCH 2015
Beth Fowler, ’62, star of the Netflix original series “Orange is the New Black”, returned to campus in March to take part in the Veritas Lecture Series. The lecture series was commissioned in 2014 thanks, in part, to a gift from Kathleen Galop, Esq., ’68, as a way to provide the Caldwell University community with an opportunity to engage with Veritas awardees, which include some of the university’s most distinguished alumni. The Veritas Award was established to celebrate the professional excellence of alumni.

APRIL 2015
Two outstanding members of the community were honored at the 40th annual Presidential Scholarship Gala on April 24. The event raised more than $100,000 which will directly support student scholarships. Anthony Calandra, of Calandra Enterprises, and Assemblyman Thomas P. Giblin were honored for their support of the university and for their commitment to their communities. Close to 300 guests enjoyed a wonderful evening with other Caldwell University benefactors.

MAY 2015
Several alumni and friends joined President Blattner and other members of the Caldwell University community on a tour of Italy that celebrated the university’s Catholic Dominican heritage. The 10 day trip included time in Rome and Siena, as well as excursions to Bologna and Florence. France is the destination of the next alumni and friends trip in May, 2016. For information, please contact Jenny Mundell, 973-619-3352.

JUNE 2015
To close out the year-long celebration of the 75th anniversary, Dr. Blattner hosted the President’s Society Reception at the Crystal Plaza in Livingston. The President’s Society is a group of alumni and friends who make the university a priority in their annual giving plans. Membership in this group continues to grow at a steady pace and provides an important component to the university’s financial stability. To learn more about becoming a member, contact Michael Bressman at 973-618-3447 or visit the university’s website at www.caldwell.edu/giving.

THE PRESIDENT’S SOCIETY

The President’s Society is the leadership giving society at Caldwell University. Members include alumni, friends, parents, faculty and staff who make the university a priority in their annual giving plans with a gift of $1,000 or more. Members of the President’s Society play a vital role in supporting the university’s overall mission and the university gratefully recognizes their support.

Recent graduates have the opportunity to become part of the President’s Society at the Associate Level. Recognizing that the capacity of recent graduates may be less than that of more established alumni, the President’s Society Associate program invites these alumni to participate at lower giving levels and still benefit from all the rewards of being a full President’s Society member.

President’s Society Associates are marked with an * next to their names in this report. For more information about the President’s Society or the Associate program, please contact Michael Bressman, Director of the Annual Fund, at 973-618-3447 or mbressman@caldwell.edu.

SAINT CATHERINE OF SIENA CIRCLE

Mission Statement

The Saint Catherine of Siena Circle gratefully recognizes Caldwell University alumni and friends who respect and support the mission and traditions of the founding Dominican sisters. These special benefactors will maintain the legacy of Caldwell University, having chosen to include the university in a personal way in estate plans, through life income gifts or as beneficiaries of an insurance policy. Their commitment and generosity will help to strengthen and ensure the future of Caldwell University.

Kathleen Buse ’72 is the Director of Gift Planning at Caldwell University and can help guide you through the process. For more information, please contact Kathleen at 973-618-3411 or kbuse@caldwell.edu.

Caldwell University would also like to thank all those who contributed to the Independent College Fund of New Jersey.

In spite of the Development staff’s efforts to avoid errors and omissions in this year’s annual report of donors, mistakes can occur. If your name was omitted, listed incorrectly or misspelled, please notify us of the error.
GIVING SOCIETIES

Caldwell University is grateful for every gift, regardless of its size. All gifts help move the campus forward in multiple ways. The following giving societies recognize the generosity of our alumni and friends. Our giving clubs include:

President’s Society

- Diamond Member $10,000 and above
- Platinum Member $5,000 – $9,999
- Gold Member $2,500 – $4,999
- Silver Member $1,000 – $2,499

Members in the President’s Society make the university a priority in their annual giving plans. These donors account for more than half of the gifts received each year and play a vital role in the overall financial health of the university.

President’s Society Associate

Represented in this annual report are the following classes:

- Class of 2006, 2005, 2004 – $500

Associate Membership in the President’s Society is reserved for recent graduates. There is a desire for younger alumni to give back to Caldwell after graduation but recognizing the capacity to give may be less than more established alumni, we invite them to participate at lower giving levels and still benefit from all the rewards of being a full President’s Society Member.

The Caldwell University Society

Memberships are as follows:

- Dominican Member $750 – $999
- Aquinas Member $500 – $749
- Siena Member $250 – $499
- Rosary Member $100 – $249

Caldwell University Annual Fund

The Caldwell University Annual Fund is present in all that we do to shape our students’ experience – from application to graduation. Starting with scholarships and financial aid, it also supports the academic, athletic, campus life and service-learning opportunities that lead to success in the workplace, community and beyond. Your gifts to the Annual Fund help the university move toward its promising future while staying connected to its proud past. Thank you for your support!

Ways to Give

Gifts to the Caldwell University Annual Fund can be made in cash (cash, checks, money orders), by credit card or online at www.caldwell.edu/giving. For gifts involving securities or stocks, please contact Michael Bressman, Director of the Annual Fund, at mbressman@caldwell.edu or 973-618-3447.

If you prefer to mail your gift to us, please send it to:

YOUR SUPPORT HAS A DIRECT IMPACT

Gifts to the Caldwell University Annual Fund provide a constant stream of support for the most pressing needs of the university. Here are a few examples of how your gifts are having a direct impact on Caldwell students:

- Last year, Caldwell provided over $15 million in scholarships and financial aid to students, putting a high-quality education within reach for many.
- The offices of Financial Aid, Student Accounts and the Registrar were relocated to a state-of-the-art one-stop shop in Aquinas Hall, a newly integrated space designed to serve students more efficiently than ever before.
- Online course and degree offerings were greatly expanded to offer students a fuller range of academic options. Three undergraduate majors and five graduate degree programs are now available online as well as on campus.
