Infused with our core values, Caldwell University programs will be acknowledged for their combination of liberal arts and professionally-oriented learning. Caldwell University will inspire its students to seek truth, embrace justice, and pursue intellectual study as they engage in experiences within a community of diverse learners. We will prepare women and men to lead successful personal and professional lives consistent with Catholic values through a liberal arts core. A broad range of programs will prepare students to be successful in the global work environment and to apply ethical standards in every aspect of their lives. Our graduates will respect the sacredness of creation and be committed to service, and intellectual life. Our vision, shaped by our core values of Respect, Integrity, Community, and Excellence, is fostered within the framework of the 800-year tradition of the Dominican Order. This vision inspires us to be compassionate and empathetic as we develop full intellectual, spiritual, and aesthetic lives.

History and Accreditation

Caldwell University was founded as a Catholic liberal arts college by the Sisters of Saint Dominic under the leadership of Mother M. Joseph Dunn, O.P., with the approval of the Most Reverend Thomas Joseph Walsh, Archbishop of Newark, who became its first president. Nancy H. Blattner, Ph.D., O.P.A. became Caldwell University's eighth and current President in July of 2009.

Caldwell College was incorporated on August 10, 1939, as an institution of higher learning for women under the laws of the State of New Jersey and empowered to grant degrees. On December 9, 2013, Caldwell College received official notification from the Secretary of Higher Education in the State of New Jersey that it had been granted university status. Caldwell University commenced on July 1, 2014.

In 1974, Caldwell College became the first institution in New Jersey to award the Bachelor of Fine Arts degree. In 1979, Caldwell College became one of the few institutions in the state to offer a unique external degree program. In 1985, the Board of Trustees of the College voted to make Caldwell College fully co-educational, enabling men to receive the superior education and career preparation that women had been able to receive for fifty years. Caldwell College welcomed the first full-time male students in the fall of 1986.

In November 1992, Caldwell College reached another plateau when the New Jersey Board of Higher Education granted approval for the College to offer the M.A. in Curriculum and Instruction. During the summer of 1993, the first graduate students began classes.

A hallmark of Caldwell has been the continual development of new and innovative graduate programs:

- In 2000, Caldwell was the first higher education institution in New Jersey to offer a specialization in Art Therapy within the M.A. in Counseling and the first Post-Graduate M.A. in Art Therapy was added in 2008;
- In 2001, the Caldwell developed a Post Baccalaureate Teacher Certification Program in Special Education and a dual Certification Program in Early Childhood and Elementary Education;
- In 2003, the Caldwell began offering an M.B.A. program in the Business Department and the Behavior Analyst Certification Board, Inc.® approved a course sequence submitted by Caldwell as meeting the coursework requirement for taking the Board Certified Behavior Analyst™ examination;
- In fall 2005, an M.A. in Special Education and an M.A. in Applied Behavior Analysis were introduced;
- In 2009, the first doctoral program, a Ph.D. in Applied Behavior Analysis commenced;
- In fall 2014, Caldwell was approved to offer its second and third doctoral programs – a Ph.D. program and an Ed.D. program in education leadership.
