

## Measure 3: Candidate Competency at Program Completion for Academic Year 2021-2022

### Section 4.2

<p><b>Measure 3 (Initial and Advanced):</b> Candidate competency at program completion (Component R3.3  RA.3.4)</p>	<p>The Caldwell University School of Education determines whether candidates are meeting program expectations and are ready to be recommended for licensure through several measures. These measures are composed of the following:</p> <ul style="list-style-type: none"> <li>● CCI - Satisfactory completion of the Field Experience and Practice year as evaluated by an assigned University Supervisor and a Cooperating Teacher. The Supervisor and Teacher observe and evaluate lessons throughout the year and complete a Clinical Competency Inventory (CCI) at the end of the Clinical Practice 2. All standards and competencies within the CCI are aligned to the 2011 InTASC Model Core Teaching Standards, 2014 NJ Professional Standards for Teachers, and edTPA rubric constructs that are required of all clinical interns prior to being recommended for certification. <b>73% of completers received a 4.0 (highest score) on their CCI final evaluation.</b></li> <li>● edTPA - Satisfactory completion of the edTPA. edTPA is a performance-based, subject-specific assessment used by teacher preparation programs to evaluate and measure the skills and knowledge that all teachers need as they start their education careers. <b>100% of completers met all the requirements on the edTPA assessment for their areas of certification.</b></li> <li>● Praxis II - Obtaining a passing score on the Praxis II exam which evaluates the knowledge in the specific area or grade level the candidate will teach. It is a NJ requirement that a candidate pass this exam before applying for a teaching license. <b>100% of completers passed the Praxis exam related to their subject area or grade level of certification.</b></li> </ul>
-----------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Completer: A candidate who successfully satisfied all program requirements of a preparation program at least six months previously and who is employed in a position for which they were prepared for state licensure.
