

# 2016–2017 Receipt of SNAP Benefits

Your 2016–2017 Free Application for Federal Student Aid (FAFSA) was selected for review. The law says that before disbursing Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent/spouse must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office. We may ask for additional information, if necessary for clarification. If you have questions about verification, contact the financial aid office as soon as possible so that your financial aid will not be delayed.

Student's Street Address (include apt. no.)			Student's Date of Birth

The student/parents certify that \_\_\_\_\_, a member of the household, received benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as the Food Stamp Program) sometime during 2014 or 2015. SNAP may be known by another name in some states. For assistance in determining the name used in a state, please call 1-800-4FED-AID (1-800-433-3243).

The household includes:

- The student (and if married a spouse).
- The parents (including a stepparent) even if the student doesn't live with the parents.
- The parents' other children if the parents will provide more than half of the children's support from July 1, 2016, through June 30, 2017, or if the other children would be required to provide parental information if they were completing a FAFSA for 2016–2017. Include children who meet either of these standards even if the children do not live with the parents.
- Other people if they now live with the parents and the parents provide more than half of the other people's support and will continue to provide more than half of their support through June 30, 2017.

Note: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2014 or 2015.
