

Summer _____ (year) Direct Stafford Loan Request

I wish to be considered for a Direct Stafford loan for the summer _____ (year) session(s), in the amount of \$_____.

Depending on the Stafford loan amount that I borrowed during the previous Fall and Spring semesters, I understand that I may have already used up the maximum loan funding available to me for the current award year based on my current grade level. I further understand that the loan amount offered is based on the cost of attendance as determined by the College, expected family contribution and remaining eligibility.
